Your students can go by bus with Greyhound Australia for some real adventure - and meet other travellers from around the world!

Greyhound buses connect all of our Navitas English centres (ACE, ACL, ATTC, Hawthorn-Melbourne) in Sydney, Brisbane, Cairns, Perth, Darwin and Melbourne - as well as over 1100 other destinations! Types of passes

Oz-Choice (by route)

These hop on, hop off passes for pre-set routes are very popular with students. Valid for 6 months (Traveller) or 45 days (Mini Traveller), students can start at either end of the route, travelling in one direction, and explore the coast, the top end or the red centre!

Oz- Flexi (by distance)

Your students can choose to buy their travel in kilometers for total flexibility. From 500km to 20,000km, they can make their own itinerary - and go wherever the the road takes them!

For each journey, the kilometers are automatically deducted from the student's account - and the great thing is that the kilometers can also be used for fantastic experiences such as diving on the Great Barrier Reef or visiting Uluru.

The passes can be purchased or topped up simply by logging onto the website and entering the promotion code on the back of the Navitas English Travel and Adventure Card.

Special for Working Holiday Visa students

Your students on Working Holiday Visas who maximise their learning can also maximise their travel and adventure!
